Adrian Nestor's Professional Experience

2012 - 2012 **covidien - production operator**

i am a 20 year old seeking work of any description.i do not like been idle so i would consider any line of work.i completed my leaving cert in june 2011,from there i completed a sports and leisure management course in cavan instittute of technology.i t was a one year course only.i then gained employment with a medical company,in cornamaddey athlone co.westmeath where i worked as a production operator in the packing department.It was on a sstudent contract from May to September.Since then i have been seeking work ,but so far no luck.I do not want to sign on ,as I am still hoping that someone out ther will give me a job.
