

# Ayokunnu Are

## Financial Consultant & Entrepreneur

W: <http://www.worky.com/ayokunnu-are>

Steadfast in the precept that "to whom much is given, much is required," Ayokunnu Are offers advice on a gamut of projects, from charitable giving to global financial strategy. A preeminent wealth preservation authority with a comprehensive understanding of global finance, Ayokunnu Are manages a variety of net-worth portfolios for individuals, families and private establishments. Additionally, Ayokunnu Are actively directs his own international commercial operations.

Ayokunnu Are gained a Master of Public Administration (M.P.A.) and a Bachelor of Arts (B.A.) in Political Science from the University of Michigan. Before completing his formal education in 1989, Ayokunnu Are founded Money Managers International. With affiliations with over fifty financial institutions worldwide, President and Managing Executive Ayokunnu Are spearheads a team providing premium global financial and insurance services.
