

# Charles McELEVY

Apple Consultant, iPhone / iPad Trainer. - Belfast, United Kingdom

W: <http://www.worky.com/charles-mceleavy>

I have a wealth of talent and experience in all aspects of Computer/TV/Video production-ex RTE/ BBC TV/APPLE employee-coupled with excellent computer training and selling skills. Recently worked for Apple Inc' and now have own consultancy business and training in converging technologies and future developments. Friendly, fun, and approachable are just some of my immediately recognisable personality traits. I enjoy all forms of "life enhancing" technologies.

## Charles McELEVY's Professional Experience

---

2000 - Present

### **metmamedia2020 - I.T Consultant /Development - Apple Mac Master**

Daily, front line training, consulting and operations development, the best sellers are trainers! - on Apple Mac OSX, iPad and iPhone for Business. Accredited in Pro applications such as:- Final Cut Studio, Motion, Logic, DVDPro etc. Responsible for Apple Store training, business consultancy, and 121 training for customers. Previously I worked in T.V. as a "multimedia" operator producer in editing, cameras and sound production for BBC, CNN and RTE. I have a "Pro-active," approach to business and clients alike, attention to detail and clear concise training being my forte! More recently employed at Apple in London.
