A proud supporter of numerous charities and nonprofits both locally and nationally, Edgar Mojica has leveraged his professional expertise to mentor youths through Success Builders International Network (SBIN), a company he founded in 1999. With more than 35 years of experience researching techniques and skills used by extremely successful individuals, Mr. Mojica has amassed a considerable amount of knowledge, which he draws on to formulate strategies for helping young entrepreneurs to realize their full potential and achieve success in their own business endeavors. Specializing in teaching individuals how to create and increase residual income, the team at SBIN offers "Keys To Success" classes and seminars and fosters the belief that successful people espouse a philosophy that involves the continual education, training, and strengthening of the mind, as well as the body and spirit.
