Fanny Garcia's Professional Experience

- 2011 - 2011 **Paul Valery University - i was employed as a liaison for the distance students**
My role included communicating projects and assignments. i was also responsible for referring student requests for information, assistance or referring issues to the university management.
-
- 2009 - 2010 **Lisz equestrian center - equestrian riding school instructor**
i instructed fifteen children from basic to intermediate levels of horse control and management. i enjoyed helping people achieve new levels as well as being safety conscious to the danger to my client. My position also included participating in the day to day running of the riding school.
