Professional Experience

2000 - Present **Ocean Publishing - Editorial Director**

2001 - Present **Ocean Publishing - Editorial Director**

I have overall responsibility for the editorial content across our range of publications in the emergency services and healthcare sectors, the local government sector, and occupational health and safety.

In addition to writing features and news articles, sub-editing and proof reading copy, I also commission freelance journalists, authors from various sectors, and photographers. I liaise with the company's production and design department.

From a commercial point of view, I am in close contact with our sales department regarding sales targets and advertorials for each publication.

I have developed good contacts in the events management industry and have set up contra arrangements whereby a number of our magazines have been the media sponsors or partners of various conferences and events.
