Gustave Anaya serves as the President of Mortgage Capital USA, Inc., a firm that helps clients with a range of real estate and mortgage issues. Before working in the real estate sector, Gustave Anaya acted as a retail automobile salesman and consistently earned a place among the top sales professionals at his dealership. He later became the owner of Atlantic Datsun and Atlantic Volkswagen, serving as President and successfully managing the company for a number of years. Eventually, he purchased a Nissan dealership and renamed it World Nissan. Under his leadership, the business' sales volumes increased sixfold over the course of two years, also establishing a solid used vehicle department. In recognition of Gustave Anaya's accomplishments with World Nissan, Nissan Motor Company, Ltd., appointed him to its Presidents Club.
