American Family Insurance - Field Sourcing and Diversity Specialist

Sourcing and recruiting Agents & Agents in Training for the state of Washington for American Family Insurance.

Agent Opportunity: As owner and manager of your own agency, you are responsible for achieving your agency's sales and growth targets. But you won't have to do it alone. You'll have the ability to hire your own staff, and you'll work in partnership with your agency sales manager to meet strategic business goals you set. You'll also have the support of almost 8,000 corporate employees and the backing of a company with more than \$16 billion in assets.

Agent In Training Opportunity: One way to begin an agency career with American Family is by entering the Agent-In-Training (AIT) program. As an AIT, you'll receive:

- On-the-job training from highly successful agents
- The opportunity to learn from some of the best in the business
- You can be ready to run your own agency in as little as 13 months, enjoying all the benefits that come with it.
