

John Waring Glendora

Aside from his professional endeavors, John Waring works to contribute time and resources to worthy causes near his home in - Glendora, United States

W: <http://www.worky.com/johnwaringglendora>

An avid deep sea fisherman with a love for travel, John Waring is a business professional living in Glendora, California. John Waring has several years of experience in sales and administrative work, most recently as a Sales Representative for NetTek First. The company offers a variety of web interface services, including dedicated servers, web hosting, domain names, and more. As a member of the company's sales team, John Waring handled a wide variety of responsibilities, including aspects of marketing, sales, customer outreach, and analytics. He created online marketing materials, maintained working relationships with current clients, and researched industry price standards to create packages for new customers.
