A dynamic retail environment firm - Los Angeles, United States

W: <http://www.worky.com/jtnakaoka-associatesarchitects>

Based in Los Angeles, California, the dynamic retail environment firm JT Nakaoka Associates Architects combines the design and planning aspects of a conventional architectural firm with a consumer-savvy merchandising angle that produces some of the industry's most acclaimed projects. The firm operates in the United States, the United Kingdom, Japan, Europe, and in some Asia's largest, most cosmopolitan cities. Founded in 1982, the company has successfully completed over 2,000 projects, each combining architectural elements with an in-store layout concept design to increase exposure, sales, and brand recognition of its client's company.
