

Marilyn Hajicek

Owner of Blue Trout Resources - Denver, United States

W: <http://www.worky.com/marilyn-hajicek>

Marilyn Hajicek leads Blue Trout Resources, her Denver-based company that provides Colorado families and communities with ways of preserving their most treasured memories and personal histories. Ms. Hajicek meets face-to-face with participants to conduct focused interview sessions and piece together a narrative. She also gathers photographs, music, and home movies.

The result of Marilyn Hajicek's efforts are heirloom-quality DVDs designed to bring family members together for generations to come. She takes particular pride in providing volunteer services for elderly participants who would not otherwise have the resources to capture and preserve their memories.
