

# Mark Nash

I have 36 years experience in drainage, civil engineering, land reclamation, muck shifting and demolition.

W: <http://www.worky.com/mark-nash>

I have 36 years experience in drainage, land reclamation, demolition, muck shifting and motorway projects. I have worked all over the country. I am an owner of a 14ton excavator and a 5ton tractor and dump trailer and low loader. (safe pass and 360 ticket)  
I am currently unemployed and seeking work wherever it is available. Transport is not a problem and I am willing to work all the hours available to me.
