The career of financial advisor Michael Araluce includes more than two decades of experience in executive positions at banking and investment firms; his most recent work involved the position of Regional Senior Financial Advisor at Union Bank, N.A. In this position, he managed a large group of clients throughout Southern California. Michael Araluce worked with staff located at many branches of Union Bank and participated in the specialized training of branch managers, sales staff, and upper management.

Prior to Union Bank, Michael Araluce fulfilled the position of Senior Vice President at Bank of America, N.A., charged with maintaining a large book of high net worth clients. Considered the top insurance producer and holding the rank of number two in total production, Michael Araluce received various honors while at Bank of America, including the President Council award, presented by Chief Executive Officer Ken Lewis, and the Spirit Award of Excellence.
