EXPERIENCED PARTS ADMINISTRATOR - Dublin, Ireland

W: <http://www.worky.com/neil-markey>

NEIL MARKEY's Professional Experience

2002 - 2011 **M50 Truck and Van Centre - parts administrator**

Worked in parts department of Mercedes van and truck dealership with responsibilities for identifying parts using internet based parts id system. They are also DOE specialists and a big part of my remit there was to source parts for our workshop to accomodate vehicles which failed DOE and also the sourcing of alternative parts from the allmakes aftermarket division where I built up many contracts. I also worked of computer parts programmes such as motis, sage and kerridge.

Key Skills Contracts, internet, Sage

1997 - 2001 **D & S Machinery Ltd. - Parts Administrator**

Importers of Landini and Ursus tractors. Responsibilities for goods inwards and outwards, general stock maintenance and ensuring dealer network around country received their parts orders as promptly and efficiently as possible. Keep stores area in a neat and tidy order and safe to comply with health and safety regulations.
