Pediatric Dentist @ Kids Teeth, LLC

W: <http://www.worky.com/ophir-alalouf>

An accomplished dental professional with more than 15 years of applicable experience, Dr. Ophir Alalouf currently maintains a successful independent practice in Rockville, Maryland. At Kids Teeth, LLC, Dr. Alalouf provides a comprehensive array of treatment options to children of all ages, applying his extensive knowledge to ensure healthy, beautiful smiles for every client he cares for. Dr. Ophir Alalouf also devotes a great deal of time and energy to the referrals he undertakes for patients with special needs. In conjunction with his responsibilities as a clinician, Dr. Alalouf oversees all business management activities at the office, directing a highly competent staff of 10 employees he refers to as "an amazing team." Dr. Ophir Alalouf established Kids Teeth in 2000 with the support of a single assistant. Demonstrating considerable skill as a pediatric dentist, he quickly increased his roster of patients, to the point that he needed to relocate to a larger space after five years.
