Patrick Murphy's Professional Experience

2009 - Present

Civil Defence - EMT(volunteer) with Civil Defence Galway City

- Attending regular training and upskilling
 - Treating patients while working within my scope of practice
 - Having respect for colleagues as I`m always working as part of a team
 - Ensuring good communication with patients and other team members especially when working under pressure
 - Respecting patient confidentiality and their dignity
 - Making sure the ambulance and equipment are always fully stocked and up to standard
 - Maintaining health and safety standards to protect myself and others from the risk of infection
 - Ensuring correct and clear documentation of each incident
-
