

Piper Abbate

Piper Abbate exhibits an aptitude for academics, athletics, and the arts. As a high school student studying abroad at Lycee Hip

W: <http://www.worky.com/piper-abbate>

An honored athlete and student, as well as a published photographer, Piper Abbate undertook an academic journey that began in the United States and included schooling in France. Presently, Ms. Abbate studies photography at the City College of San Francisco, an institution she chose after considering Humboldt State University and Sonoma State University, both in California. After completing her elementary school education at Top of the World Elementary in her hometown of Laguna Beach, California, Piper Abbate traveled to southern France to undertake summer school sessions at Aix-en-Provence.

Piper Abbate's Education and Qualifications

2012 **Bachelor/Degree - Photography**

San Francisco City College
