

acoggins

W: <http://www.worky.com/profile-acoggins>

Engineer with entrepreneurial experience.

acoggins's Professional Experience

2001 - 2008 **furniture designer**

My own furniture design/manufacturing business. Using wood/metal/glass/etc. I designed and handmade various furniture pieces and products (lamps, mirrors, tables, candleholders, etc.) for shops/retail. I also did commission work for private clients, which involved detailed consultation with clients, creating initial designs, prototyping, and producing the final product.

Key Skills Furniture Design, retail

1999 - 2001 **Embedded Software Engineer**

acoggins's Education and Qualifications

1999 **Bachelor/Degree - Engineering (Electronics/Computer)**
Trinity/DIT
