Professional Experience

1984 - Present

Care Assistant

Dear Sir/Ma,

APPLICATION FOR THE POST OF LIVE IN CARE WORKER .

I eagerly apply for the post of care assistance in your care home. I am friendly and enthusiastic person who enjoy meeting people and working as part of a team, Ready to relocate as the job stated.

I hold some Certificate in the assistance professional course. And my experience in care service has added more weight and gained valuable experience in life. Rescue of

Patients in the last few years and I have successfully changed the life of many hopeless for good, through my counseling and services .My main duty is to ensure preventive, primitive and care to the need, mostly our old one who are in needs eg.the sick the

Injured, individual, family or the disable community see to their day to need.

I am discipline to assessed, interact writhing scientific problem solving process in which the emergency situation is assessed, action/proceeding are planned and implemented and the effect above is evaluated for effectiveness. I apply to your company to be part of a committed and dedicated team whose overall objective is to render and uphold good quality life of people to build a better nation and careering for our old less privilege one.

I attached my Curriculum Vitae for your kind consideration.

Yours faithfully,

Akinjide Akinwumi
