

# Raymond Arjmand

Shopping Center CEO in Calabasas, CA

W: <http://www.worky.com/raymond-arjmand>

Possessing more than 25 years of industry experience, Raymond Arjmand currently owns and operates more than 15 malls in North America, Europe, and the Middle East. Arjmand began building his business while living in California, where he earlier earned a Bachelor of Science in Civil Engineering from California State University, Northridge, and a Master of Public Administration from California State University, Los Angeles. He spent the first portion of his career working as an engineer with Los Angeles and several other municipalities before launching his own firm, which provided an assortment of construction and engineering services to municipalities. It was during this time that Raymond Arjmand found a passion for shopping centers and commercial development.

Over his more than two decades in the shopping center business, Raymond Arjmand has developed an array of facilities without receiving a single penalty or citation.
