ROBIN ALE's Professional Experience

2008 - 2009 **sales assistant and customer services representative**

i worked in a telemarketing company as a consumer service representative. my role was to make as much sales as possible and i have been able to do that to my level best during my stay in the company. one of my responsibilities was to inform my prospect each and every requirement of our service. My duty was to be punctual, disciplined and productive to the company.
