

Ronald Allen Downey

Managing Director, Trustee of the Christ Ascension Trust -
Buffalo, Missouri, United States

W: <http://www.worky.com/ronaldallendowney>

Since 1980, Ronald Allen Downey has pioneered numerous programs for elevated spiritual development including those for the advanced correction of physical conditions, with an emphasis on conditions such as Down syndrome, multiple sclerosis, autism, asthma, insomnia, and attention deficit hyperactivity disorder (ADHD), among many others. Active in the United States and abroad, Ronald Allen Downey regularly holds speaking engagements for individuals with these and other conditions, in conjunction with his programs for spiritual development. Over the years, he has shared his expertise at conferences in Mexico, Brazil, South Africa, Greece, Ireland, and elsewhere to widespread acclaim. As Managing Director at Christ Ascension Trust, he invests his considerable knowledge in the development of programs to educate parents of home-schooled children, single parents, laypersons, and others on methods of wholistic healing.
