2009 - 2009 **Teens On Tour - Teacher**
As an example of who I am, my English and communications skills, I'll tell you a short story..... At 10pm one night, a little over 2 years ago, my girlfriend (A TEFL teacher) said, "We're short of a teacher tomorrow, I've said you can teach and will step in". I had never taught before, or even considered it, however, I started the next morning at 9am and taught English to various classes of German teenagers 9am-1pm for the whole summer. I was assessed on my 2nd day in class by the organizers and they asked me to stay on.
