Professional Experience

2007 - Present **MyPhotos.ie - Owner/Photographer**

With a strong passion, and a keen eye for detail I believe photography is about capturing a split second in time, that can be enjoyed by many for a lifetime.

I am available as a photographer for personal portraits, corporate events & projects, weddings, product photography and have a wide range of photographs for sale from my website. I also offer personalised training in digital photography and photo software, in the comfort of your own home/office.
