

Simon Allen

Senior Resource Manager, HM Forces

W: <http://www.worky.com/simon-allen2>

24 year career soldier, trade disciplined in Electronic Engineering. Having worked my way up to the level of a Senior Resource Manager, capable of operating in a multi-skilled/multi discipline environment, ensuring the most efficient use of materiel and manpower to consistently achieve specified customer results often managing to return results in excess of thier expectations. Now ensuring the necessary evidence to consolidate my position and capabilities for transition into the commercial sector, with a view toward Operations or Project management
