- Dublin, Ireland

W: <http://www.worky.com/usman-akintola>

Hi my name is Usman Akintola Currently studing Business Information System at the National College of Ireland but unfortunately i have no luck in looking for a paid employment to help me be stabled financially and to be able to pay my college fee
i have been looking for a job since 2 years now i have had no luck so i tried doing work experience. After i done work experience on three ocassions i still dont have a job
i am a very friendly person, honest, easy going, hard working.
