

# Virginia Hamori-Ota

Instructional Designer - Ann Arbor, MI, United States

W: <http://www.worky.com/virginia-hamori-ota>

Virginia Hamori-Ota holds a position at the University of Michigan College of Engineering, working on instructional design and program development for Integrative Systems & Design, which delivers on-site and on-line programs for undergraduates, graduates, and working professionals. More recently, she was a project consultant for the accreditation self-study of the University of Michigan-Flint International Center. Additionally, she serves with the Accent Reduction Institute in Ann Arbor, Michigan, as an Accent Coach and Corporate Trainer. In this role, Virginia Hamori-Ota works with non-native English speakers in a virtual environment to help them perfect their American English pronunciation.
