

Wa'el Al-Buzz

W: <http://www.worky.com/wael-al-buzz3>

wael al-buzz, from Nablus, Palestine, was born in 1959, working at an-najah university as technical Instructor,

Professional Experience

1985 - Present

An-Najah-University - Technical Instructor, and the incharge of the engineering workshops

Of course I was working with many different factories as consultant, and I had many conferences in different countries. of course my main job as technical Instructor in the university to teach the students and to manage the workshops, and I had relation with some other universities to be as their consultant, since most of those employees was my students. hopefully will have chance to serve with you in your company.

Yours

Dr wael
