Key Skills .NET, activeholidayskerry, HTTP, Marketing

2010 - Present **Restaurants-Guide4U - General Manager - Restaurants-Guide4U**
The 60 main markets world-wide are under the new development of Restaurants-Guide4U. This means, creating strong teams with sales/marketing representatives and chief consultants to register businesses for the guide, developing strong know-how about local markets and niche markets and promoting them on international level, (indirectly creating thousands of new jobs in the food industry).
Actually, my office is looking for representatives in 60 different countries.

Interests

I like good cooking, gardening and fishing.
Once, I was interested in Politics, (without ambitions), but in the century we are living, this interest has died.
