

Sherif Abou Seda

Expert Business Analyst - Dubai, United Arab Emirates

W: <http://www.worky.com/sherif-abouseda>

Customer-focused IT Expert Business Analyst, with 10+ years experience in the Banking field, expert in Branch Automation and Islamic Banking. I've contributed in many projects in different countries which helped me to understand the banking business in different regions.

Acknowledged for capacity to tackle challenging issues, analyze viable alternatives, and provide innovative solutions that reside well within clients' financial and time frameworks. Persistence, personal integrity, and channeled energies are major strengths consistently cited by managers and clients alike-universally praising team spirit, independent work habits, and the determination to conquer technical challenges. A resourceful, life-long learner, embracing knowledge as a tool for improved problem-solving effectiveness.
